RE: 2018 Price Increase

To our valued Gastite customers:

Effective April 15, 2018 Gastite will implement a 6% price increase on all FlashShield, accessories and underground products. This price increase is due to continued cost increases in raw materials and transportation.

An updated price sheet will be available for shipment April 15, 2018 and a PDF version will be available for download March 29, 2018 from the Gastite website at www.gastite.com.

Gastite will honor current pricing on all orders shipped prior to midnight April 15, 2018.

Craig Barry
